

# IDENTITY THEFT IS JUST THE TIP OF THE ICEBERG

## Identity, Asset & Financial Account Protection For You & Your Family

A data breach can destroy your family's financial health. Freezing your credit is only part of the solution.

### Built For You

EverSafe® is a groundbreaking financial protection platform. We go beyond pre-set alerts like those set by your typical identity theft prevention services or credit card companies. Our system is based on a member's personal financial behavior. With a 360-degree view of family members' credit union accounts, investment accounts, credit cards, and credit reports, we alert you to the first sign of irregular activity.

### An "Extra Set Of Eyes"

EverSafe offers **exclusive trusted advocate support**. Family members and professionals can receive alerts along with members!

### We've Got Your Back

EverSafe's customer care team is there for you every step of the way. If your financial accounts, assets and/or identity are compromised, we'll provide fraud resolution and identity restoration support.

### Protection 24/7

Standard identity theft monitoring leaves you exposed. And with the incidence of scams, data breaches, and elder fraud on the rise, your family's financial health faces threats every day. EverSafe offers daily surveillance of all of your existing accounts, your credit file, and the Dark Web.

Consider these facts:

**1 in 10**

U.S. adults becomes a victim of fraud each year.<sup>1</sup>

**\$120,300**

Average loss to victims of elder financial abuse.<sup>2</sup>
